## MISSION STATEMENT

The mission of Raphael House is to help families at-risk of homelessness achieve stable housing and financial independence while strengthening family bonds and personal dignity.

# DEAR FRIENDS,

Thanks to the generous support of our donors, the determination of staff, and the guidance of a passionate Board of Directors, 2016 continued to build on the successes of the previous year to ensure that Raphael House remains a leader in the community, providing essential services to families experiencing homelessness.

The community that supports Raphael House is intensely loyal and for that we are beyond grateful. We are also fortunate to have relationships with donors, volunteers, and stakeholders that span the lifetime of the organization and in some cases, between family generations.

As we reflect upon the successes of 2016, the next several years will be critical for addressing the steady increase of homeless families in San Francisco. With the expansion of our residential services, allowing us to serve even more families in need of our life-changing programs and services, the need to meet our expanded operating costs is increasingly important. We look to you, our supporters, to help us meet this increased demand in our community.

As always, the year was filled with accomplishments both big and small: from the middle school student who received tutoring support and is now on the honor roll to the parents securing stable housing for their family, Raphael House continues to be a place of inspiration and hope for hundreds of Bay Area parents and children. This past year we served 70 families in our Residential Shelter Program, and 89% of them moved from our shelter into stable housing. The Bridge Program served 451 families with a host of safety net services that included ongoing case management, housing assistance, career development services, mental health counseling, and academic support for their children. Through participation in our Bridge Program, families stay connected to Raphael House, which allows them continued access to the tools and resources they need to break the cycle of generational poverty and start on the road to self-sufficiency.

On behalf of each parent and child who received services this year or who participated in our programming, I thank everyone who has given of their time and resources. Together, we provide Bay Area families who are experiencing or are at risk of homelessness with the personalized, family centered solutions they need to achieve stable housing and financial stability. We acknowledge that our accomplishments would not be possible without you and look forward to your continued commitment to helping us end family homelessness.

With deepest appreciation,

Ralph Payton  
Executive Director

Scott Olson  
Board Chairperson

# ABOUT RAPHAEL HOUSE

Since 1971, Raphael House has been at the forefront of providing Bay Area families experiencing or at risk of homelessness the personalized family-centered solutions they need to build brighter futures. Raphael House is the only privately funded program of its kind in the San Francisco Bay Area, and our success rate is unmatched: 85% of the families we serve go on to achieve long-term housing and financial independence.

With a spirit of warmth, compassion, and kindness at its core, Raphael House offers a broad community-focused continuum of services through its Residential Shelter and Bridge programs that have helped nearly 20,000 children and parents achieve stable housing and financial independence.

At Raphael House, we see homelessness as a temporary state that doesn't define a person. We understand that homelessness can result from unexpected circumstances, whether economic, health related, or because of a breakdown in family structure. We provide families an opportunity to take ownership of their futures and improve the quality of their lives through a nurturing and supportive process that emphasizes the importance of strong families and personal dignity.

Our model of providing a stable homelike shelter and offering ongoing, comprehensive assistance with housing and job placement, while supporting the emotional and social needs of parents and children alike, helps to empower more than 300 families each year.

*Raphael House of San Francisco is a 501(c)(3) not-for-profit corporation.*

Our Bridge Program serves all Raphael House families and offers an extended community where parents and children are able to empower and support each other.

Our Bridge Program also gives Bay Area families experiencing or at risk for homelessness an opportunity to avoid a stay in shelter by applying for a one-time Housing Opportunity Assistance grant to secure rapid rehousing or prevent eviction. # STORIES FROM THE PROGRAMS

## HELPING FAMILIES FIND HEALTHY HOMES

Deyser and Juan had been living in unstable housing conditions for many years before coming to Raphael House. They had lived in multiple room shares in the Mission where their names were not on the lease, so they were vulnerable to frequent increases in rent or being unlawfully evicted. They were ultimately forced to live in a garage where their daughter, Genesis, got sick from poor ventilation and frequent leaks. In such a difficult time, the family courageously sought support from community agencies. The family reached out to Raphael House and moved into our Residential Program, where they were able to work towards their housing and financial stability. Juan worked two jobs during his time at Raphael House, and Deyser worked tirelessly with First Avenues to find a home for her family. Deyser and Juan moved into a two-bedroom apartment in Oakland in August, where they feel Genesis finally feels at home. Juan is now taking classes to complete his GED, and Deyser has returned to work. They continue to strive for the best for their family, and are grateful to Raphael House for the support they've received along the way.

## HELPING CHILDREN DEVELOP HEALTHY HABITS.

In Raphael House's Children's Program we introduce children to breathing techniques that help calm their bodies. One night some children were sharing different breathing techniques with each other, and a six-year old boy who had difficulty participating let out an exasperated sigh because he did not want to participate. The entire group of children immediately copied him, letting out a big sigh. Though he did not intend to participate, his sigh was effective and the group practiced it a few more times and discussed how good it feels to release stress through belly breathing. The boy was very proud of his contribution.

# RAPHAEL HOUSE VOLUNTEER HIGHLIGHTS

## Birthday Parties

Once a month Raphael House hosts a birthday party for children in the Bridge Program celebrating a birthday that month. Cake and presents are donated and the parties are held on our rooftop, which is decorated for the occasion. Volunteers are integral in helping to decorate, wrap gifts, set up snacks, and help make the event a wonderful lasting memory for each child.

## British American Business Council (BABC)

The joint Aramark, LifeWorks and British American Business Council Task Force held its 2016 "Aramark Building Community (ABC)" Day at Raphael House on September 20th. Over 80 volunteers, split into seven teams, tackled projects throughout Raphael House that had been in serious need of attention. In all, 12 spaces in the house were revitalized and the work done by volunteers accounted for over 600 hours of employee time! In addition, the BABC Raphael House task force provides networking opportunities, pro bono services, and in kind donations.

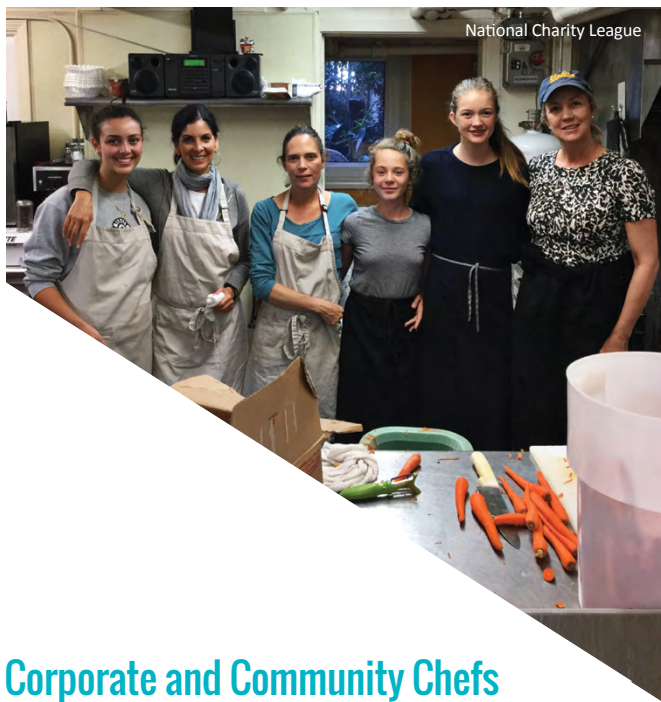

## Junior League of San Francisco (JLSF)

Members of the Junior League of San Francisco's Raphael House Committee volunteer with our Family Activity Night and Toddler Time every week. Our partnership with JLSF allows our staff to expand our program capacity by enhancing the level of activities offered. The consistency that Junior League volunteers bring is crucial to our program and fosters a strong connection between the volunteers and families.
