Read-For-Need Parent & Caregiver Guide

WHAT IS THE READ-FOR-NEED FUNDRAISER?

Also commonly known as a *Read-A-Thon*, our *Read-For-Need* community-wide event provides an opportunity for children and their families to focus on reading together and raise essential funds for [Raphael House](#). Many supporters asked about ways they can help Raphael House during *Shelter In Place*. We hope our Read-For-Need fundraiser creates a fun activity for your family during this time! All donations will go directly to Raphael House, a 100% community-funded family homeless shelter in San Francisco.

HOW DOES IT WORK?

1. **Sign Up Online:** [Register here](#) as a participant by Friday, April 24, 2020!
2. **Sign Up Sponsors:** Ask family and friends to sponsor your fundraiser by filling out the [Sponsor Form](#). Sponsors promise to donate 25¢, 50¢ or more for each page of a book or article read. Sponsors can also pledge a flat donation amount.
3. **Read, Read, and Read Some More!** Between Monday, April 27 and Friday, May 8th, read as many books and articles as you can, listing each one and the number of pages in your [Reading Log](#).
4. **Collect Pledges!** Once you've finished reading, thank and let your sponsors know about your reading accomplishments so they can make their pledges. Please turn in completed reading logs and sponsor forms to Kellen at ksarver@raphaelhouse.org. *Pledges are due Wednesday, May 20, 2020.*
 - **Online Payments:** Raphael House staff will send you a link to a customized online fundraising page that you can share with your sponsors!

WHAT IS RAPHAEL HOUSE'S TAX ID NUMBER?

Raphael House is a 501(c)(3) tax-exempt nonprofit organization (tax ID # is 94-3141608).

WHAT IS OUR FUNDRAISING GOAL?

We hope every reader can raise at least \$100 from their sponsors, but each reader sets their own fundraising goal! Sponsors can include grandparents, aunts/uncles, neighbors, Facebook friends, and even yourself!

HOW CAN PARENTS & CAREGIVERS CAN HELP?

- **Help Set a Goal:** Set a goal for how many minutes your child or student reader will read during the Read-a-Thon. Motivate the reader to read more, choose different types of books, and consider reading more challenging books.
- **Make the Read-a-Thon Fun for the Whole Family! Examples:** Make a poster where family members can write down their favorite books, host a family or friends book club, or post photos to social media!
- **Remind Your Reader to Track Their Minutes:** This is often the most difficult part!
