OUR PROGRAMS & IMPACT

RESIDENTIAL SHELTER PROGRAM

Our stable, home-like Residential Shelter provides families of all types a warm and safe family-centered community. Each family is provided with their own private residential room, daily nutritious meals, and clothing.

While at Raphael House, parents participate in a wide range of services that strengthen the whole family as they work toward achieving long-term stable housing and financial independence.

BRIDGE PROGRAM

Through our post-shelter Bridge Program, we are committed to helping families reach and maintain long-term stability by supporting them with the resources and connections they need to move beyond poverty.
